A woman with dark hair tied back is sitting at a desk, looking intently at a computer screen. She is wearing a light-colored turtleneck sweater. In front of her are two computer monitors. The monitor on the left shows a complex interface with multiple windows and code snippets. The monitor on the right shows a similar interface. A keyboard is visible on the desk. The background is slightly blurred, showing an office environment.

A screenshot of a web-based application titled "Attendance". The interface includes a header with "Attendance", "Select a batch" dropdown set to "No Barriers - B Batch", and a date selector for "December 2019". Below this is a grid table with columns for "Student" and dates from "Sun 01" to "Tue 01" for each week of the month. The grid contains colored dots (red, green, blue) representing attendance status for individual students.
